**PROGRAM:** **“Creating a Culture of Candor in City Management”**

Municipal leadership can achieve amazing results when people are aligned and engaged through a culture of candor—a culture of open communication, trust, and respect that leads to engagement and commitment. We will look at why candor is such a problem for organizations and then identify techniques that city leaders can use to promote candor in their city teams.

Presented by Professor Stephen Gilliland, Behavior and Organizational Sciences at Claremont Graduate University
